WEATHER REPORT & FORECAST

TOMORROW

Cold conditions in the morning becoming **warm** in the afternoon.

OUTLOOK

Cold conditions in the morning becoming **warm** in the afternoon.

WEEK AT A GLANCE

Cold conditions in the morning becoming **warm** in the afternoon.

SATELLITE-BASED GLANCE AT THIS MORNING, SUNDAY 19 MAY 2024

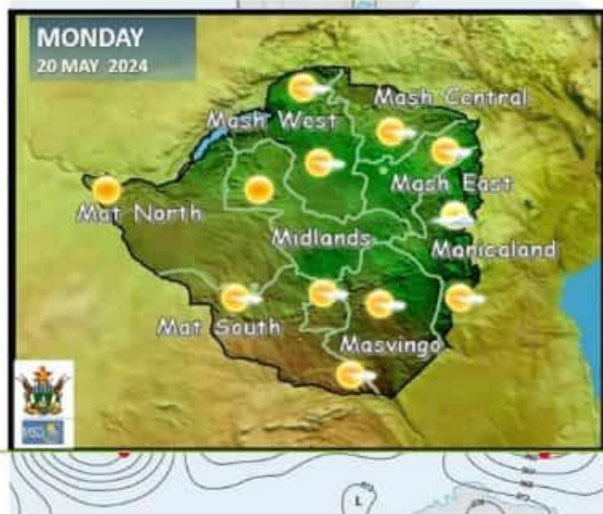

Extreme southern parts of the country had cloudy and mild morning conditions. Cold morning conditions were experienced in **all Matabeleland, Midlands, Masvingo, Manicaland, Mashonaland East and Harare Metropolitan Provinces** under clear skies. Slight ground frost was reported in **Wedza (01 °C) and Rusape (02°C)**. The remaining Provinces had cool conditions in the morning. However, as the day progressed it became warm and less cloudy over the extreme southern Provinces of the country.

WEATHER FOR TOMORROW

MONDAY 20 MAY 2024

In the morning, mostly clear skies and cold conditions are expected in **All Matabeleland, Bulawayo Metropolitan, Midland, Manicaland, Mashonaland East and Harare Metropolitan Provinces**. Ground frost is likely to occur in the high ground areas. It should be mild in the **Zambezi Valley** and cold in the remaining Provinces. However, by afternoon **across the country** it should be warm under cloudless skies.
