# SATELLITE-BASED GLANCE INTO TODAY, TUESDAY 10 DECEMBER 2024

# WEATHER REPORT & Forecast

Remnant moisture yesterday, in the Mashonaland West, Matabeleland North, Bulawayo Metropolitan, and Midlands provinces led to brief periods of cloudiness accompanied by isolated thundershowers. Kariba received the highest rainfall, with 26mm, followed by Gokwe with 16mm, Lupane with 6mm, and Victoria Falls with 5mm. This morning, much of the country had clear skies and mild conditions becoming mostly sunny and hot in the afternoon. Meanwhile, a severe tropical storm is moving towards Madagascar. The path of the storm may change, and the Meteorological Services Department will keep the public updated on its trajectory.
