

## SATELLITE-BASED GLANCE AT THIS MORNING, WEDNESDAY 17 JULY 2024

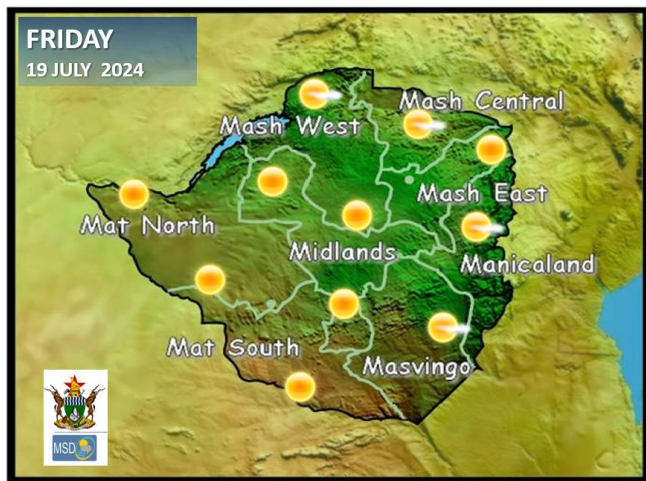

# WEATHER REPORT & FORECAST

Very cold conditions were experienced in the **Mashonaland Central and Manicaland provinces** with severe frost occurring in **Nyanga**. The rest of the country had cold conditions except for **Binga and Kariba** which had cool conditions in the morning.

All areas were under clear skies. As the day progressed, it became warm over much of the country.

## WEATHER FOR TOMORROW: FRIDAY 19 JULY 2024

**Morning:** Expect very cold conditions under cloudless skies in the **northern parts of Manicaland provinces** and some parts of **Mashonaland central province**. Severe frost is highly probable in frost prone areas such as **Nyanga**. The remaining areas are forecast to be cold except for the areas along the **Zambezi valley** which should be cool in the morning.

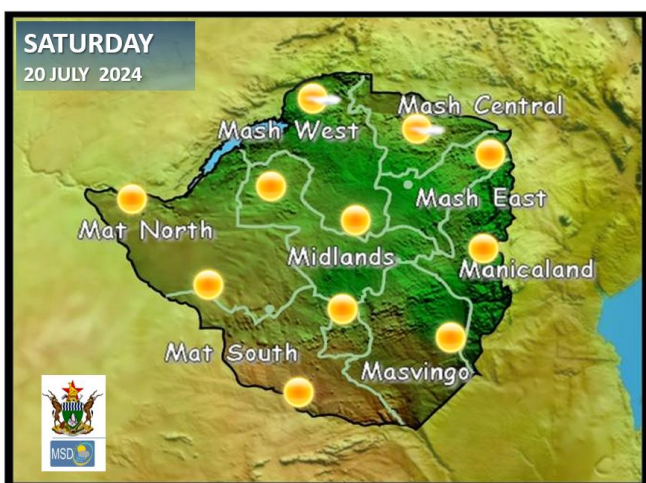

### IMPACTS & ACTIONS TO TAKE

**Frost mitigation measures should be put in place** in these areas, with advice from local Agritex Officers

**Afternoon:** Sunny and warm.

**Overnight:** Cold conditions.

## WEATHER OUTLOOK FOR: SATURDAY 20 JULY 2024

**Morning:** Clear skies and cold conditions are anticipated over much of the country. Areas such as Nyanga, Henderson and Matopos are expected to be very cold with a chance of slight to moderate frost.

**Afternoon:** Sunny and warm conditions.

### IMPACTS & ACTIONS TO TAKE

- **Avoid prolonged exposure to direct sunlight especially during midday.**
- **Dress warmly**, and ensure vulnerable members of society are kept warm both early morning and late evening.
