

SATELLITE-BASED GLANCE INTO THIS MORNING,
SUNDAY 20 APRIL 2025,

It was cloudy and cool over the entire country yesterday, with light rain and drizzle. Out of these the only amounts above 10mm were in Matabeleland North, in areas such as Hwange (21mm) and Binga (15mm). By this morning, Easter Sunday, the clouds had slowly begun to clear from the south due to circulation of a relatively dry airflow.
