## SATELLITE-BASED GLANCE AT THIS MORNING, FRIDAY 02 AUGUST 2024

# WEATHER REPORT & FORECAST

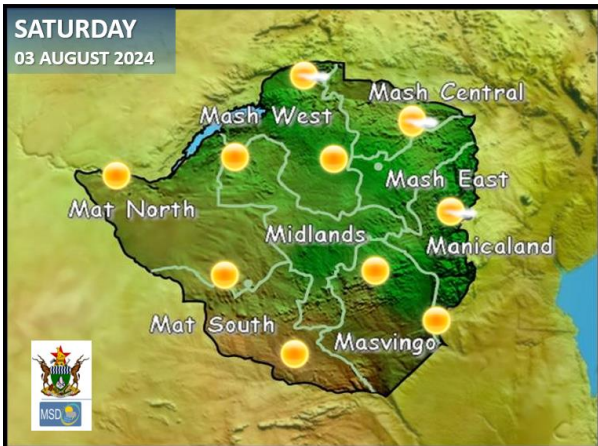

### FIRE SEASON ALERT:

DO NOT START ANY OUTDOOR FIRES

The cooling south-easterly winds that permeated much of the country on the first day of August have slightly died down. This brought about calm but cold morning conditions over much of the country with **Nyanga (01°C)** and **Henderson (04°C)** being very cold (below 05°C). However, by afternoon most areas were sunny and warm, with a north-easterly airflow.

## WEATHER FOR TOMORROW: SATURDAY 03 AUGUST 2024

**Morning:** Clear skies and cold at first.

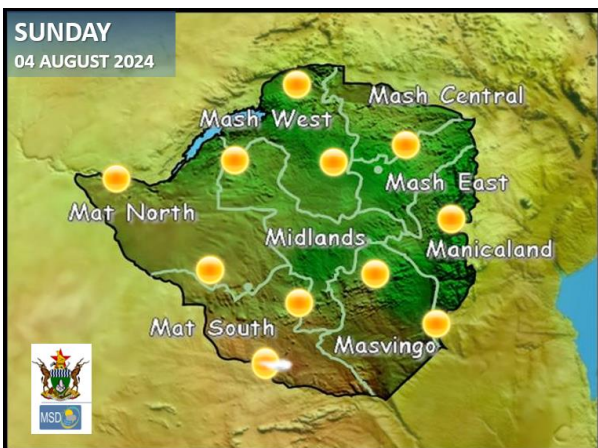

**Afternoon:** Sunny and warm countrywide.

**Overnight:** Cold and calm winds.

### IMPACTS & ACTIONS TO TAKE

- Keep warm at night and early in the morning.
- Avoid prolonged exposure to direct sunlight especially during midday.
- Stay hydrated during the day
- Please create fireguards [9m wide] around your property

## WEATHER OUTLOOK FOR: SUNDAY 04 AUGUST 2024

**Morning:** Mostly clear skies but cold in all areas except the Zambezi Valley

**Afternoon:** Sunny and warm

**Overnight:** cool and windy

### IMPACTS & ACTIONS TO TAKE

- Do not start any outdoor fires, as these may easily spread out of control due to strong winds
- Enjoy the sun responsibly, do not sit in the sun for long.
- Dress warmly, and ensure vulnerable members of society are kept warm both early morning and late evening.
