

# Weather Report & Forecast

## SATELLITE-BASED GLANCE INTO THIS MORNING, SUNDAY 03 AUGUST 2025,

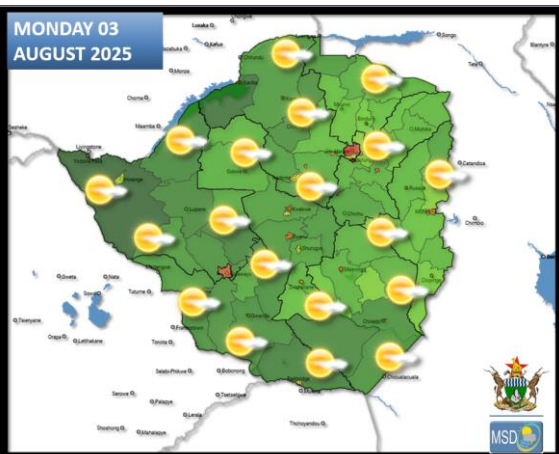

The presence of moist air over Masvingo and Manicaland provinces resulted in cloudy and cold conditions with light rain and drizzle in places. The rest of the country had clear skies and cold conditions resulting in:

- Moderate ground frost in Gwanda, Chivhu, Marondera and Henderson.
- Slight ground frost in Matopos, Masvingo, Rusape and Guruve.

As the day progressed much of the country became mostly sunny and warm expect for the southern and eastern regions which had partly cloudy conditions.

## WEATHER FOR TOMORROW: MONDAY 04 AUGUST 2025

**All areas:**  
**Bulawayo Metropolitan, all Matabeleland, Midlands, Masvingo, Manicaland all Mashonaland, and Harare Metropolitan provinces.**

Clear skies and cold conditions in the morning becoming mostly sunny and warm for much of the day. There is a chance of:

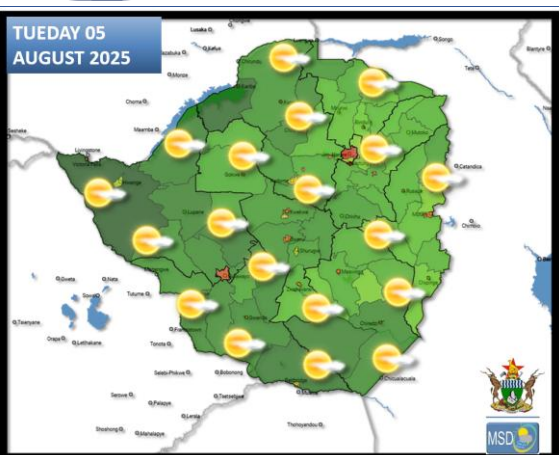

- Slight ground frost in Harare, Kwekwe and Kadoma.
- Moderate frost in Matopos, Masvingo, Rusape and Gweru.
- Severe ground frost in Gwanda, Chivhu, Mhondoro, and Henderson.

Cloudless and cold overnight.

### Actions to Take:

- Prepare frost mitigation measures.
- Ensure young children, the elderly and persons of an ill disposition are kept warm especially early morning and late evening.
- If a brazier or fire is to be used indoors for warmth, ensure the room is well ventilated
