

WEATHER REPORT & FORECAST

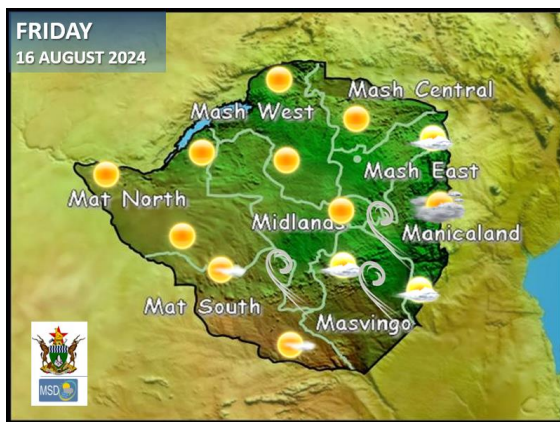

FIRE SEASON ALERT:
DO NOT START ANY OUTDOOR FIRES

It was cold in Matabeleland South and Matabeleland North Provinces this morning, as a relatively dry south-westerly wind permeated the western border of Zimbabwe. All other areas were cool at first with clear skies countrywide. By mid-morning, the wind had veered into a south-easterly airflow. This drove clouds into the Eastern Highlands. All other areas were sunny and warm by afternoon.

WEATHER FOR TOMORROW: FRIDAY 16 AUGUST 2024

Morning: Cool across the country; **Matabeleland South, Manicaland, and Masvingo** should be briefly cloudy; with all other parts of the country having clear skies.

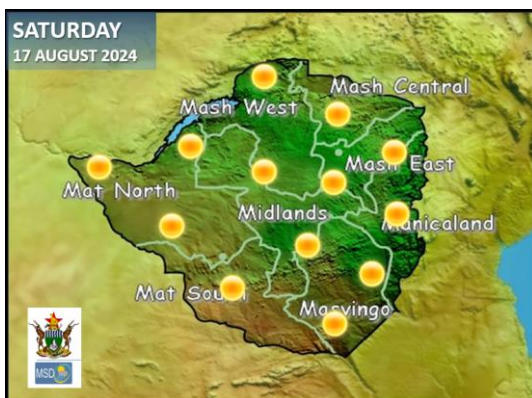

Afternoon: The whole country should be sunny & warm, with a light breeze time and again.

Overnight: Cool with clear starry skies countrywide.

IMPACTS & ACTIONS TO TAKE

- Windy conditions increase the risk of runaway veld fires.
- Do not start any outdoor fires, and do not leave any fire unattended.

WEATHER OUTLOOK FOR: SATURDAY 17 AUGUST 2024

Morning: Cool over much of the country with clear skies prevailing.

Afternoon: Sunny and warm across the entire country

Overnight: Cool towards evening with clear overnight skies.

IMPACTS & ACTIONS TO TAKE

- Perfect time for outdoor activities.
- Dry conditions increase the risk of respiratory related ailments. For better advice on these and other health related matters, please consult your local Health Practitioner.
