

WEATHER REPORT & Forecast

FIRE SEASON ALERT:

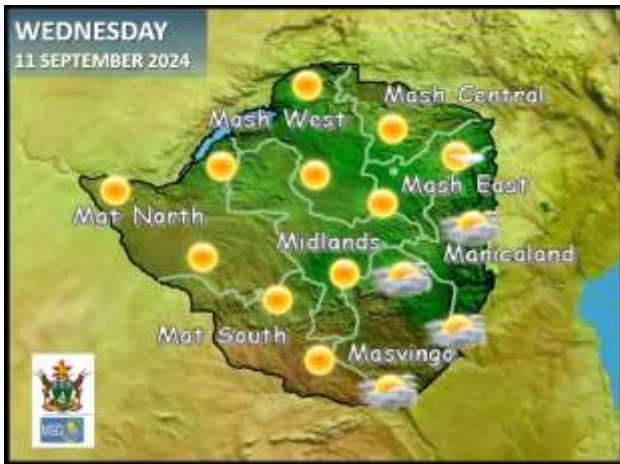

DO NOT START ANY OUTDOOR FIRES

THESE DRY AND WINDY CONDITIONS INCREASE THE
RISK OF RUNAWAY VELD FIRES.

It was cloudy over **Matabeleland North**, early this morning. By mid-morning, these clouds had dispersed. The dominant cloud became the one that drifted overnight into **Matabeleland South, Masvingo, and the southern parts of Manicaland**; this was driven by relatively cool airflow from the southeast coast of Southern Africa. This brought mild and windy conditions to these southeastern parts of Zimbabwe for much of the day, while all other areas were mostly sunny and warm. However, by this evening, these winds had died down.

WEATHER FOR TOMORROW: WEDNESDAY 11 SEPTEMBER 2024

Morning: Brief cloudy period in **Matabeleland South, Masvingo and Manicaland**, cool with patchy drizzle over the Eastern Highlands. All other area: clear and mild.

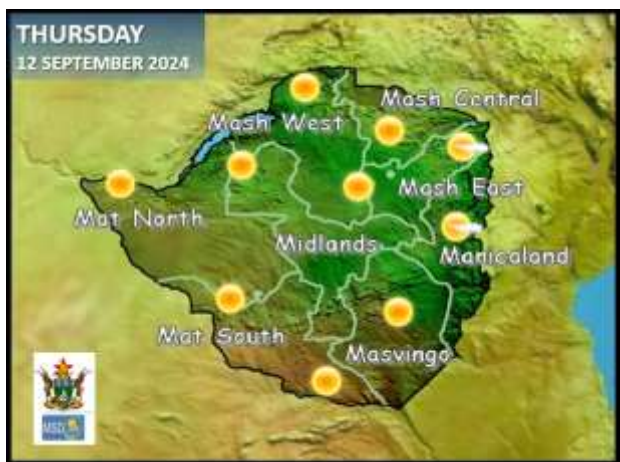

Afternoon: Sunny and warm countrywide

Overnight: Clear night sky and cool in most areas

IMPACTS & ACTIONS TO TAKE

- Windy conditions increase the risk of runaway veld fires.
- Do not start any outdoor fires, and do not leave any fire unattended.

WEATHER OUTLOOK FOR: THURSDAY 12 SEPTEMBER 2024

Morning: Mild with mostly clear skies

Afternoon: Sunny and warm in all areas

Overnight: Clear skies and mild

IMPACTS & ACTIONS TO TAKE

- Dry conditions increase the risk of veld fires. It is illegal to start any outdoor fires during this peak fire season.
- Construct fire-guards at least 9 meters wide around your property to protect against runaway veld fires.
