

## SATELLITE-BASED GLANCE AT THIS MORNING, TUESDAY 08 OCTOBER 2024

# WEATHER REPORT & Forecast

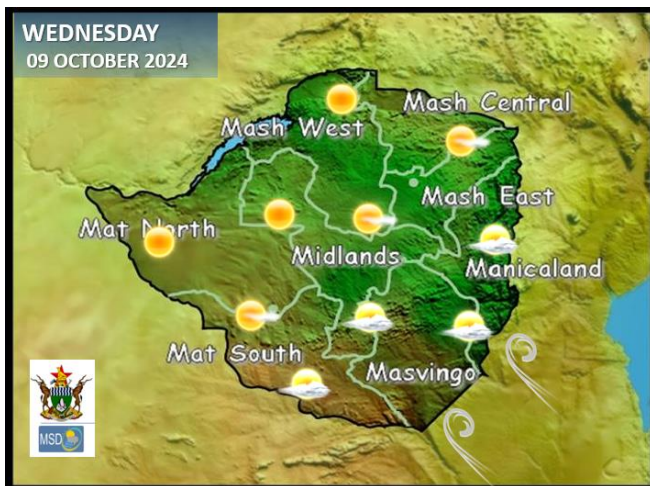

Most areas across the country had cool conditions in the morning with a few pockets of cold conditions in **Lupane, Gweru, Nyanga and Henderson**. Clear skies dominated the whole day in all areas except for some brief clouds in **Matabeleland South**. It remained mostly sunny and warm throughout the day.

**FIRE SEASON ALERT:**  
DO NOT START ANY OUTDOOR FIRES

## WEATHER FOR TOMORROW: WEDNESDAY 09 OCTOBER 2024

**Morning:** Partly cloudy, windy and cool conditions are expected in **Matabeleland South, Masvingo and Manicaland provinces**. All the remaining areas should be cool and cloudless.

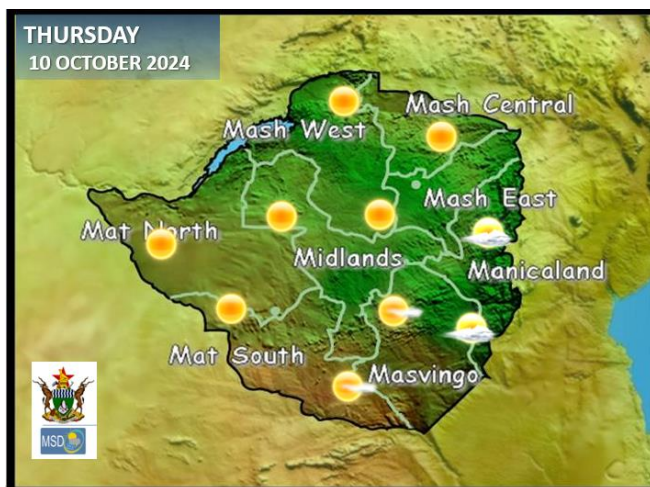

**Afternoon:** Mostly sunny and warm in all areas.

**Overnight:** Clear skies and cool conditions in the evening.

### IMPACTS & ACTIONS TO TAKE

- Temperature fluctuations affect human and wildlife. Please take necessary precautions to adjust to the rapid changes.
- Cool morning conditions may need extra warmth, while warmer afternoons may need rehydration by drinking water

## WEATHER OUTLOOK FOR: THURSDAY 10 OCTOBER 2024

**Morning:** Brief clouds with cool conditions are anticipated in **Manicaland Province and Mashonaland East Provinces**. Elsewhere, it should be cloudless with generally cool conditions.

**Afternoon:** Sunny and warm.

**Overnight:** Cool and cloudless.

### IMPACTS & ACTIONS TO TAKE

- On-going farming preparations should be done in consultation with your local Agritex officer in terms of what to plant and what the water requirements will be for particular plant stages
- For prolonged hours spent outdoors in the sun, please take precaution and wear a sunhat. For better advice, consult a certified health practitioner.
- Keep hydrated by drinking adequate amounts of water.
