

SATELLITE-BASED GLANCE INTO TODAY, FRIDAY 15 MAY 2026.

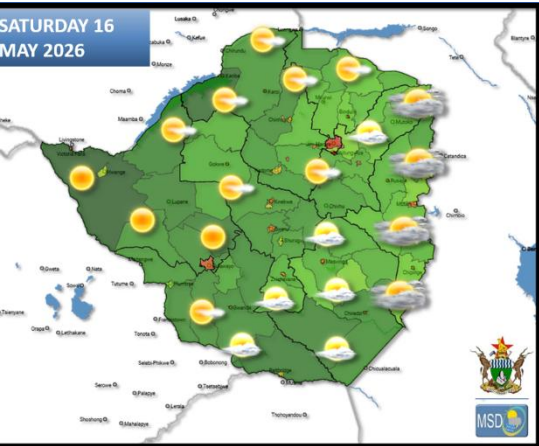

A cool and moist airflow from the south-east brought cloudy conditions to Matabeleland South, southern parts of Midlands, Masvingo, and the southern districts of Manicaland Provinces, this morning; all other areas experienced mostly clear skies and cool morning conditions.

As the day progressed, it became warm across the country, with partly cloudy conditions over the southern areas, before cooling again towards evening as the clouds slowly dissipated.
